# Redback® A 4116 15W Stereo Amplifier

# **Operating Manual**

#### **OVERVIEW**

The Redback A 4116 stereo amplifier is super compact and ideally suited to smaller PA system installations.

Designed around the ST TDA7492 IC it offers virtual "destruction proof" operation even under sever misuse such as over voltage, over temperature, over load and short circuit speaker line conditions. The unit will automatically shut down when overloaded and will restore to normal operation when the fault condition is removed.

The A 4116 can be used as a stand alone/ bench mount amplifier or can be rack mounted when used in conjunction with optional hardware (H 4990).

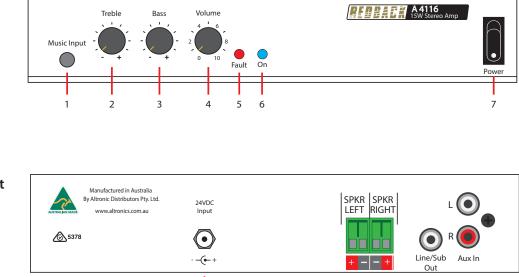

#### **FEATURES**

- 15W RMS Output into an  $8\Omega$  load 1 Stereo RCA input 1 Music input (3.5mm)
- 1 Line/Sub output 4-16  $\Omega$  output 24V DC operation

## CONNECTIONS

#### Figure 1: Front Panel Layout

- 1) 3.5mm Input
- 2) Treble Control
  3) Bass Control
- 4) Volume Control
- 5) Fault Indicator
- 6) Power Indicator
- 7) Power Switch

## Redback® A 4116 15W Stereo Amplifier

#### Figure 3: Connection Diagram

The figure below illustrates a typical installation.

Note: The Aux input will be disconnected when a source is connected to the 3.5mm music input on the front panel.

#### **TROUBLE SHOOTING**

#### **DISTORTED OUTPUT**

Check that the speaker type is correct for the output that you are using. Check for any short circuits on the speaker line. **VERY LOW OUTPUT** 

Make sure that the input is the correct level (check for shorted connectors). Check for any short circuits on the speaker line. **AMPLIFIER KEEPS ON CUTTING IN & OUT** 

Check speaker types, ratings and for any short circuits on the speaker line.

## SPECIFICATIONS

	15 watts RMS into 8 <b>Ω</b> < 3% @ 1kHz		/olume, Bass, Treble, ON/OFF switch Fault, Power
	pically 75dB below rated output		
3		MISC.	
Frequency Response		Power supply:	
Aux input:	60Hz - 15kHz, -3dB	Weight:	≈0.5kg
Music Input:	1V	Dimensions:	≈210W x 140D x 44H mm
Aux Input:	1V	Colour:	Black
Output Connectors Speakers:	Screw terminals	DC Protection:	Internal 2A 3AG Fuse
Output impedance:	4-16 <b>Ω</b>		
		*Specifications sub	ject to change without notice
Music input:	RCA stereo socket 3.5mm socket 2.1mm DC Jack connector		
All Australian made Redback products are covered by a 10 year warranty.
