All-in-one security cabinet.

Vertical wall mount security cabinet for CCTV, alarms & access control systems.

The SECCAB is a compact, vertical wall-mount security cabinet that offers secure storage to complete security & surveillance systems. It features capacity for a CCTV surveillance NVR with monitor, or a combined access control & alarm system. The vertical cabinet form factor is perfect for storing security systems in hidden locations.

* Included standoffs and screws for attachment of alarm panels and other security systems to the SECCAB

- Compact; only 580(W) x 635(H)x 180(D)mm (closed)
- 440mm width between mount points to fit wall studs
- Cable management knockouts from all cabinet sides
- Superior ventilation; optional 2 x 50mm cooling fans
  - * USB fans included

- Capacity: 2RU, 240~480mm width, 465mm depth
- Fit up to 24" monitor*, with 50/75/100 VESA mounts
- Integrated 4 x outlet powerboard & 2 x cabinet locks
- SPCC steel construction and white powder coating
  - * Monitor must have downwards-facing HDMI & power connectors
